

The TK Youth Wrestling Club is a volunteer organization within the community, with the primary purpose of implementing a 1st – 12th grade wrestling program for the Thornapple Kellogg area. The club not only meets twice a week for practice, but they also participate in 8-10 dual meets, individual Sunday tournaments, and also team and individual state tournaments.

Our youth club (TKWC) is the feeder program for the Middle School and High School Wrestling Teams. To keep the Middleville wrestling tradition alive, we need sponsors from our community. The funds raised from our sponsors help make it possible to send our teams to tournaments, provide singlets, shoes and headgear for our wrestlers, and to keep participation costs the lowest in West Michigan. TKWC sponsor funds also provide scholarships for low-income families to participate at no cost.

The club's mission is to provide a safe environment for our Middleville youth to experience wrestling, and the life lessons that it teaches.

Our club is grateful for the community's support and thanks everyone in advance for their contributions.

Sponsorship
